## INVITATION

WE extend a cordial invitation to admirers of the breed to be present at this sale. We do feel, that we are offering a quality lot of young bulls and females, of the low set, short legged, beefy type that accord with the beef market demand and are the top sellers. All are desirable, richly bred, and most of them by Brown-dale Count. We were pleased with this bull and his calves when we selected him for service at Edellyn but results at Edellyn and the remarkable showing of his get here and the get of his sons in the Canadian Shows, cause us to feel that we are justified in the claim that we have one of the greatest breeding bulls of the time.

We are reproducing pictures of a number of the animals in order that all interested may note their type.

THOS. E. WILSON

## BROWNDALE BLOOD—THIS OFFERING

THE performance of the get of Browndale Count in the leading Canadian shows is one of the most remarkable achievements of the time. This record was not made in one season, but it is a consistent repetition with each succeeding crop of calves. First his sons and then his grandsons demonstrating clearly the value and prepotency of this blood in getting near ideal in animal form generation after generation. No more conclusive proof of the value of any line of blood is possible in animal breeding. Since being placed in the Edellyn herd, Browndale Count has made good, from the beginning. His first crop of calves attained to highest honors in the show ring and this season his second crop at Edellyn are eclipsing the record of the previous year and among them are the outstanding specimens of the time. Exhibited at but four of the leading shows of 1926, the get of sire award, the most coveted prize for which a breeder may contend, has gone to Browndale Count at each show. Their type, their smoothness and their quality are in line with the demands of the commercial markets. No one may study these youngsters, and not be convinced of the value of such blood in the improvement of animal form. In fact the entire Edellyn offering to be sold at this time must be rated as one of the most valuable presented in years.—By Geo. E. Martin of The Shorthorn World.
